These directions are written in the format required for the abstract to be submitted to XXI BMIC / X BMRE / III WTBC 2024. The abstract should be headed by a **title, name(s) and complete address(es) of the author(s)**. Please underline the name of the author who will present the poster. The **Thematic Areas** of the Meeting are: Biological Inorganic Chemistry; Organometallic; Rare-Earths; Main Group; Supramolecular Chemistry; Photochemistry; Inorganic Electrochemistry; Materials Chemistry and Catalysis. Please select **only one thematic area** for categorization of your abstract. The abstract can contain one Figure, Scheme or Table, Acknowledgements and References, but the length of the abstract should not exceed **one A4** page (21 x 29.7 cm) with page margins of 2.5 cm. Use Calibri type font, with single spaced lines. The title of the abstract (14 points, centered) should span in maximum two rows, followed by one blank line before the description of the author(s). Author's names are written (12 points, centered) with first name and last family name written in full. Authors are separated by commas and marked with superscript, when necessary, to distinguish authors from different affiliations. Author's affiliations (11 points, italic, centered) are written in separate rows when there are more than one. Table and Figure must be prepared in order to occupy the minimum of memory possible without affecting the quality of the data. The caption of the Figure must be typed with Calibri 10 pt right below the Figure. The title of the Table must be typed using Calibri font 10 pt above the Table.

Abstract text (11 points) should be justified; paragraphs are not indented. For submission, the file containing the abstract should be sent electronically only in PDF format, '.pdf'. The filename should be ***firstauthorfullname***. For example, *mariecurie.pdf*.

Figure or table here (centered, maximum of 1)
